

For Immediate Release:

October 25, 2007 – MONTREAL, CANADA

WeighPack Systems Inc. is proud to welcome Serge Larocque as Vice President Finance and Administration, overseeing all major financial and administrative functions.

Coming to WeighPack with over 15 years of experience in senior management roles, Larocque has served as Vice President and Director of Finance for two well known corporations. His academic and professional background is instrumental in leading WeighPack in to their next phase of growth.

Larocque's 6 Sigma lean manufacturing background and Black Belt Certification are definite assets to WeighPack.

Working alongside President Louis Taraborelli, Larocque will streamline current controls and implement new processes that will improve the company's efficiency as a whole.

Larocque received a Bachelor of Business Administration Degree from the University of Quebec and holds a Diploma of Higher Studies Specializing in Finance (dessfe) from HEC University in Montreal.
